

## **For Immediate Release**

### **LMS Purchases Frederick Goertz Ltd. Est 1910**

**Calgary, AB (December 1<sup>st</sup>, 2006):** Land Measurement Systems is pleased to announce they have reached an agreement to purchase the shares of Frederick Goertz Ltd of Vancouver, BC. The integration brings a broader range of technology and an increase in purchasing power to Frederick Goertz Ltd. when combined with the three existing LMS offices. LMS customers will also receive an increased focus on personal service, commitment to customer satisfaction, and a broader base of industry trained professionals.

Andy Trann, LMS Technical Sales Representative in BC will move into the Frederick Goertz office at 314, East 5<sup>th</sup> Street, in Vancouver. Jim Goodlet will remain on as General Manager and along with his well qualified staff will lead our team in supporting the survey, construction, engineering and mining communities in British Columbia.

“LMS is extremely pleased to be working with the team at Goertz to jointly offer our customers the very best in customer service and products on the market today, they bring 96 years of experience”, stated Randy Hudson, president of LMS. “We are also excited that Jim Goodlet will be joining us as General Manager of our BC operations along with his staff.”

“By teaming up with LMS we can now offer our customers a broader range of products and services to better help our customers”, stated Jim Goodlet, owner of Frederick Goertz Ltd est 1910. “LMS has the same philosophy and integrity that is the backbone of Frederick Goertz. GPS is revolutionizing the construction markets of BC, and LMS has the experience and products to help our customers, I am very excited to be a part of that.”

#### **About Frederick Goertz Ltd.**
